POLICY STATEMENT

It is the policy of National University of Health Sciences (NUHS) that only recognized terminal academic and professional degrees (such as D.C., D.C.M., N.D., D.O., M.D., Ph.D., etc.) will be listed for publication purposes.

No specialty degree listing or diplomate listing will be used, except where appropriate to the intended audience (an example being a diplomate radiologist writing for an audience of other diplomate radiologists).

Where confusion exists, the administration of the University will provide approval.
