

Standard Process Application Form – Fall13

Standard Process, Inc. is awarding one \$2,000 scholarship each trimester to DC students throughout 2013. To apply for this Fall 2013 trimester, complete and return this form with requested items to the Financial Aid Office by 5 PM, Friday, November 15, 2013 to be considered for this trimester’s award. Selected applications will be sent to Standard Process which will make the final determination.

Standard Process manufactures high-quality, nutritional whole food supplements and offers more than 300 products through three product lines: Standard Process whole food supplements, Standard Process Veterinary Formulas™, and MediHerb® herbal supplements. The products are available only through health care professionals.

Standard Process is involved in every step of production. The company grows crops on company-owned, organically certified farmland, utilizes state-of-the-art manufacturing processes, and employs the highest quality control standards. Standard Process strictly adheres to the Food and Drug Administration's good manufacturing practice requirements. Through these measures, Standard Process can ensure that its products are of the utmost quality and potency. Additional information is available at www.standardprocess.com.
