Award-Winning Acupuncture Practice for Sale in Kirkland, WA
Own your dream practice in a stunning, high-demand area

Hello, I'm **Heather Kettner, L.Ac., Dipl. O.M.**, and after 12 wonderful years of building this thriving practice, I am preparing to retire! I'm looking for a compassionate, motivated acupuncturist to step into ownership of my clinic, **Kirkland Acupuncture & Integrative Medicine**. Located in beautiful Kirkland, Washington—just outside Seattle—this practice offers a rare opportunity for a smooth and supported transition into **a well-established, high-earning, all-cash clinic**.

Photos, details & asking price here:
sellingapractice.com/kirkland

What you'd appreciate as the new owner:

- **Beautiful, serene healing space:** A professionally designed 6-treatment-room clinic with luxury finishes, natural light, spa beds, and an atmosphere patients consistently describe as calm and welcoming.

- **Strong, steady income:** An all-cash clinic averaging $272K gross per year, with 30–40 patients per week, working just 16–20 hours/week.

- **Turnkey operations:** Fully equipped clinic with finely tuned systems allow you to start seeing patients right away—and adapt operations to reflect your own vision.

- **Award-winning & well reputed:** Voted Best Acupuncturist in 425 Magazine four years in a row (2022, 2023, 2024, 2025) with a steady stream of referrals from MDs.

- **Ideal location:** Centrally located in a medical building near Lake Washington, minutes from Bellevue and Seattle, with easy parking and high visibility.

- **Abundant potential:** There's plenty of demand here! Room to grow by expanding hours, bringing on an associate, subleasing space, adding services or insurance billing, or doing more marketing.

- **Supportive handoff:** I'm committed to helping ensure a smooth transition and am happy to provide guidance to the right acupuncturist.
