

Adobe Digital Editions: To check out ebooks and transfer to eReaders

Adobe Digital Editions allows you to download and read EPUB or PDF formatted ebooks on your computer or transfer them to your eReader device via a USB cable.

To download Adobe Digital Editions, visit <http://www.adobe.com/products/digital-editions.html>. Click the "Download now" link on the right side of the page. Once you have completed the download, you can check out a title.

Read EPUB & PDF eBooks on your computer or transfer to your device

Step 1

Visit <http://ereadil.axis360.baker-taylor.com>.

- Select your library in the **My Libraries** list.
- Click "Select Library" to browse the collection.

Step 2

Find the **EPUB/PDF** title you would like to check out.

- Select the title, select **EPUB/PDF** and choose **Checkout Now**.

Step 3

- Enter your Library Card ID and PIN (if a PIN is required by your library).

A confirmation message will appear after your successful checkout.

- Click **Download** and then Open With Adobe Digital Editions.

Step 4

The title will now open in Adobe Digital Editions.

- To read the book on your computer, use the scroll bar at the bottom to navigate to the next page.
- To read the book on your eReader device, connect your device to your computer with a USB cable.
- Click on the Library button in the top left corner then hold and drag the title to the left hand side of the screen to your device icon.
- A green plus sign will appear. Release the title and it will be transferred to your device.
 - Eject your device from your computer and the title should now be available to read on your device.

Please note, for the Sony eReader, you will follow a similar process using Reader for PC which should download when you connect your Sony eReader to your computer.
