It is the policy of National University of Health Sciences (NUHS) that letters of appreciation may be provided to parents, stepparents and spouses of graduating students.

Certificates issued to graduating students shall include the diploma for the relevant degree program and certificates of completion authorized by the University for various specific programs of education.

Educational certificates, other than the diploma, must be arranged with the Office of the Registrar and paid for by the student.

All diplomas and certificates of the University shall be designed according to a uniformed format and must be approved by the President or his/her designee.
