**\*\*Not all courses are offered each trimester and course listing is subject to change.**

**The following courses are not listed above because they are self directed labs and do not have a scheduled classroom date and time:**

- BIOL205 Human Physiology Lab
- CHEM115 General Chemistry Lab
- CHEM205 Organic Chemistry Lab
- PHYS115 Physics Lab

**The following courses are not listed above because they are online courses:**

- BIOL231 General Microbiology
- BIOL337 Pathophysiology
- BIOL403 Intro to Epidemiology
- BIOL333 Immunology

**Note:** The ending time for each course is notated in parentheses following the course listing.
