

Unique opportunity for a Chiropractic Physician within a private multi-state and multi-specialty health network!

Our orthopedic/sports medicine focused chiropractic group is looking for a recent graduate or seasoned chiropractor for a part-time/full-time position. Performance Health of Shrewsbury has offices in Belmont and Shrewsbury, MA and is part of a multi-state chiropractic group. Our group is affiliated with a growing independent practice association which provides administrative support services to our providers as well as collaboration with other member practices including mental health professionals, primary care providers and interventional pain physicians. Our Massachusetts practice works on-site with a professional hockey team and Division 1 college. Along with professional and collegiate athletes, we work with the weekend warriors as well as people suffering with musculoskeletal disorders. We are looking for a provider who has strong diagnostic skills and ability to develop evidence-based treatment plans. Strong patient and inter-professional communication skills are a must. Techniques such as active release, therapeutic exercise, and instrument assisted soft tissue mobilization are preferred.

Responsibilities include:

- Diagnostic and treatment for patients of all ages with a wide range of orthopedic complaints
- Collaborating with local healthcare providers and community stakeholders
- Mastering your treatment techniques and keeping up to date with current and emerging published literature

Compensation will include a base salary with a productivity bonus based on practice collections. Malpractice insurance and continuing education stipend included. While the doctors in the office set their own office visits and schedule, our standard follow-up office visit is 30 minutes, and our full-time doctors see patients at least 4 days a week. The doctor must be willing to work some Saturdays and some evenings up until 8pm.

Please email your CV along with days/times you are free for a zoom call to shrewsbury@phclinics.com to the attention of Dr. Brandon Smolarek. We are looking forward to talking with you and learning more about you and your career goals!
